MARQETA

Third Party Sub-Processors

Last Updated: June 12, 2026

Marqeta, Inc. may engage certain Sub-Processors to assist in the provision of card program management and processing services offered to our customers.

The following list provides an overview of the Sub-Processors we engage. As our services evolve, we may periodically add, remove, or update information about the parties on this list to reflect changes to those relationships. Please note, the applicability of each party identified below is dependent on the service location and the services and specific features purchased by each customer.

For the purposes of this list, a *"Sub-Processor"* is a third party engaged by Marqeta that processes personal data (as defined in applicable data protection laws) on behalf of Marqeta and its customers or may have access to systems containing personal data. For the purposes of this list, the term "Sub-Processor" shall be interchangeable with the term *"service provider"* (as defined in the California Consumer Privacy Act and other applicable data protection laws).
